

RETRO 80's WEEKEND IS NOW AVAILABLE IN YOUR MARKET!!

Do you remember when Michael Jackson burned his hair? Or when the Sony Walkman started appearing? How about when ET phoned home or when MTV changed the way we listened to music? Retro 80's Weekend is the premiere weekend show for your station, presenting the hits, and misses, of the 80's in a format suitable for your AC or Hot AC station! With over 20 years of radio experience, Dean Fettes presents the show each week with a sense of fun, humor, and an unprecedented look at some of the often-overlooked parts of the "decade of decadence".

Affiliate Testimonials

Retro 80's weekend is a great nostalgia show and a favorite for our listener's. The show is a great mix of memories, music, culture and all things 80's. It's a can't go wrong all around fun show that fits well into my weekend programming.

Dalion "Shaggy" Huskey
Program Director/KLSM K-Hits 104.5 – Vicksburg, Miss.

"Retro 80's Weekend is the highlight of our Saturday night 80's lineup. When picking out programming, we looked to other online stations and a number of the highly rated stations carried the show. Just listening to a few minutes of the program clearly shows why Retro 80's Weekend is one of the highest quality 80s shows on the radio."

Hestan "Allen" Hall, Owner
El Ave Radio

"We had been anxious to make Saturday evenings more alive and more exciting, and Retro 80's Weekend has exceeded our expectations. With positive listener comments from day one, it's definitely helped us get more attention in the early evening hours ... and keep people talking about our great overall sound."
